I.D.E.A. Coalition **Process**

Listening Sessions

Prioritization and clarification of topics

Develop Solutions

Implementation

Review and Improve

Black and Latino community canvassing through Town Hall and Liaison interactions.

Comparison of the Conversations & Surveying Review/analyze feedback - what did we learn from this process, and how can we improve it? Are our strategies working? How can we improve upon our strategic work?

Review and improve

Prioritize topics and challenges voiced by the community, and identify Prioritize topics and barries previous work and demographic discovery to clarify and deepen our shared understanding of the issues.

> **Engage all Coalition** partners and directly impacted community members to create solutions for top 3 challenges/topics. **Develop written reports** outlining shared strategies.

Implement the strategies with coalition members taking a strong role in addressing issues. Provide ongoing progress reports.
