Chautauqua County I.D.E.A. COALITION

A county-wide coalition to promote racial and social justice through inclusion, diversity, equity, and access (I.D.E.A.).

I.D.E.A. Progress Report

Mission

To make Chautauqua County a place where everyone belongs and has opportunities to thrive, especially those who have been historically marginalized.

Coalition Description

The Coalition is designed to address, prioritize, and give voice to concerns of those individuals who have been historically marginalized and directly impacted by racism and social injustices in our community. It serves as a bridge between impacted populations and the various organizations that provide services within the communities of the county. It is also committed to both anti-racist and broad social justice work.

Goals

- Engage historically marginalized populations and identify barriers and concerns related to belonging and thriving
- Prioritize issues/topics that emerge from those direct conversations
- Create space for collaboration and collective work across organizations and those directly impacted to help address identified barriers and concerns.
